

KSA

EACH CAMPER BAG SHOULD CONTAIN:

NAME

We ask that any materials you send your child to camp with, have their name clearly marked on it! Especially goggles, towels and sunscreen.

TOYS & TECH

We ask that students are sent to camp without electronics or toys. We have very little down time! There will be tons of activities and fun games for your camper at KSA's Camp.

SWIM STUFF!

WE ASK THAT EACH CHILD BRING AT LEAST ONE SWIM SUIT AND TOWEL.

Any other preferred swimming materials such as a swim cap or goggles are also welcome! We will be swimming more than once per day so for those that prefer a dry suit, please bring two! It'll be summer and with summer comes hot weather! Please send a re-usable water bottle and plenty of sunscreen for your camper! **Plastic bags** for wet clothes are also encouraged.

FOOD

SNACK

Peanut-Free snacks will be provided each day for the campers! If you prefer to send your camper with their own snack, please ensure it is marked with their name. Anything that needs to be refrigerated should be mentioned to your Camp Leader.

OUR CAMP AREA IS A PEANUTFREE ZONE

Out of respect for other campers, please refrain from packing nut-based products like PB&J sandwiches, peanut butter packets or snacks
